In Loving Memory of Mrs. Oshman

From Michele's Facebook page in November, 2013: "I am thankful for some of the best co-workers a girl could ask for, always there for me when I need them and making me smile on those long days at LHS, I'm thankful for long weekends like the one coming up this afternoon, I'm thankful for my mom, who's always looking out for me even when I'm almost 30, and I'm thankful to be a teacher, because in the end there's no denying that I enjoy what I do!"

We love them.
We miss them.
We grieve them.
And so, we live
our lives to make
them proud.

-missfoundation

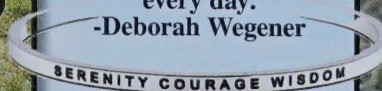

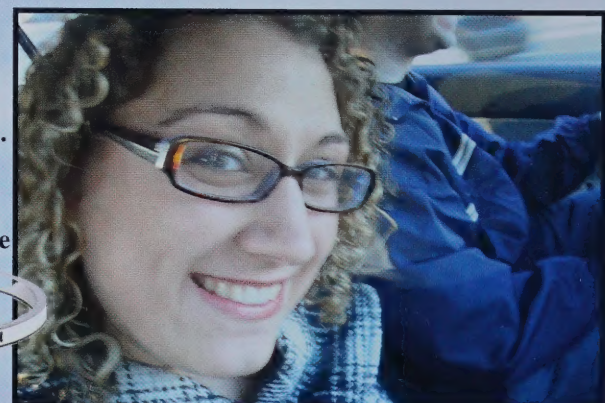

I feel extraordinarily blessed to have known and been friends with Michele. She was a department-mate whom I enjoyed, a Heifer traveling companion who was always a joy, and a human being I loved dearly. Losing her was one of the largest losses of my life. She made me a better teacher and a better person. My goal each day will always be to answer the question- "What Would Michele Do?" -Andrea Grimes

I wear the bracelet that Michelle gave me always... its simple message has sustained me through a dark time and I think of her with love and gratitude every day.

-Deborah Wegener

The minute you met Michele, you knew she was special. Students trusted her and sought her help. She would mentor them, guide them, and coach them well past the end of the day. Because of her, we all became better teachers.- Bill Graves

I felt honored to have heard countless stories of how Michele impacted so many lives.- Sandi Trippi

Michele lived every day with enthusiasm and with purpose. I am still a teacher in large part because of Michele. She makes me want to do better every day, and help every student every day because that's what she loved to do.- Ashley Arpano

I will always remember Michele as a happy, bubbly, intelligent woman. It was an honor to teach with her.- Colby Mazzaferro

If love alone
could have
kept you here,
You would
have lived
forever!

I hope that when I am older, I can be half the woman you were, because you were so amazing.
- Pauline Andrade

Truthfully, Words can't describe how great and amazing you are. I'll love you always and I'll take with me the lessons you have taught me.- Stephane Amico

Thank you for turning this world into a beautiful place.- Robbie Tucci

Mrs. Oshman will forever be my role model.- Haylee Hebert

Mrs. Oshman was absolutely the best person I've ever met.- Kaylin Basso

Leominster Center for Excellence

Leominster Center for Excellence is a small innovation high school in the Leominster Public Schools, and a Big Picture Learning School. We believe that students learn best when they engage in authentic, rigorous, and important work, both in school and with adults in the community. In conjunction with their teacher-advisors and family members, each student designs an Individual Learning Plan focused on their interests and passions. These learning plans guide the academic expectations and personal growth goals for each student and serve to measure progress. Two days per week students work with a mentor in the community in an internship of their choosing where relevant, authentic projects and learning give them a sense of how their interests play out in the real world and help them prepare for college and career. We measure students' progress and readiness for graduation by assessing the growth of skills in five learning domains, successful participation in key experiences, and demonstration of careful preparation for continued success after graduation from LCE.

Student Representatives

To the Class of 2017,

It seems like just yesterday it was the first day of freshman year, and thankfully we have made it to the end in one piece. To be apart of this class is an honor that we are all so proud of. As a student body, we have faced many ups and downs, but as a class we have prevailed. I know that our senior year has not been perfect for everyone, but it definitely has been memorable. We are a class unlike any other, and we will absolutely go down in LHS history. Not only did our class excel at fundraising (and no, the \$80,000 was NOT a grant), we are also lucky enough to have an abundance of talent. We have witnessed together an outstanding theatre company, a girls basketball team go to finals, a cheerleading team that has an enormous amount of awards, an inspiring football team, and also a track team with runners who have ran in the state meet. These are just some of the great things members of our class have accomplished. As individuals, our class has grown into future leaders, entrepreneurs, and dreamers. If there is one thing I have learned from all of you in these past few years, it would be how each and every single one of us can persevere through anything and acheieve absolutely anything and everything we set our hearts and minds too. It's been a great honor being your class president and I can't wait to see the success you all achieve. And remember, once a blue devil always a blue devil! Like Dr. lord says, "We are big blue! HOOAH!"

Yours truly,
Alivia Burns

Class of 2017

LHS Senior Class Advisors

Dear Class of 2017,

Our hearts burst with pride as we tearfully say goodbye to the Class of 2017. Every class has it's own personality, and you guys are no different. The Class of 2017 will forever be known as the "The Class with the Big Heart". Whether it's dancing with Life Skills to "The Rhythm of Love" or donating thousands of dollars to Heifer International in Mrs. Oshman's name, you have continually impressed us with your giving spirit. You have always been willing to respect each other as individuals while embracing each other as one class. It has been a rewarding experience watching you grow from apprehensive Freshmen to mature, confident Seniors. At every step of the way you have demonstrated boundless enthusiasm and school spirit. We ALWAYS had the best decorations on Rally Day. We ALWAYS had tons of willing volunteers at events. Our proms were the most fun (chocolate fountain!) and the most well-attended. And don't pay any attention to Mr. Dubzinski's fraudulent point-counting, we ALWAYS won Winter Carnival.

Your Senior Class student government worked hard to fundraise, and succeeded beyond our wildest dreams! The Class of 2017 was the most successful fundraising group in Leominster High School history.

We raised more than \$80,000! That meant FREE yearbooks to every senior and a \$10 Senior Trip to a Red Sox game! From your accomplishments in the world of academia, to superb performances, both on the stage and on the athletic fields, the Class of 2017 has triumphed. You have done your part to carry on the tradition of Blue Devil excellence. Thank you for allowing us to be a part of this exceptional group of people. We are honored to share the special bond that you have established as the Class of 2017.

Sincerely,
Miss Tyburski and Ms. Murphy

CTEi Senior Class Advisors

Dear CTEi Class of 2017,

As you entered Leominster High School and Center for Technical Education Innovation, it was most probably with apprehension and confusion, contemplating how the next four years would evolve. The years have passed and, in retrospect, you found yourselves acclimating to alternating schedules, challenging courses, school renovations and a multitude of personalities to which you needed to adjust. You chose activities that satisfied your curiosity, broadened your knowledge and, in the process developed friendships, many you will maintain throughout your lives. You should leave these halls with fond memories, and proud of the many accomplishments in scholastics, shops, sports and fine arts which have prepared you for the next stage in your young lives.

I wish you happiness and love. I wish you many opportunities to excel in the pursuits of your individual choosing. Never be afraid to take risks to realize your dreams. That said, to paraphrase some lyrics from

Rascal Flatts' My Wish:

"My wish for you is that this life becomes all that you want it to

Your dreams stay big

Your worries stay small and

You never need to carry more than can hold.

And, while you're out there getting where you're getting to

Make sure you know somebody loves you."

Sincerely,
Mrs. Cucchiara and Mr. Rannikko

Class

Freshman Year

The Class of 2017 began our high school journey in August 2013. Fortunately, we were the first to experience a newly renovated school, which made the transition from middle school a little easier. We had our first class elections, our President was Illy Centeno, Vice President Aaliyah Link, Treasurer Alivia Burns, and Secretary Princely Tamfu. Our theater company put on a great performance of Chicago and The Crucible. We beat Fitchburg at the Thanksgiving Game, 48-29. Due to a snow day, we had an extended February vacation and for the first time in history, LHS had a Spring Carnival. Unfortunately, we had to end the year by saying goodbye to our principal Tom Brown. But we ended the year strong and looked forward to no longer being the underdogs.

Sophomore Year

In August 2014, the Class of 2017 returned, excited to not be the fresh meat anymore. We had learned the ropes and were ready to take on LHS as sophomores. It was a very interesting year, the pep rally was canceled and the Thanksgiving Game was postponed but we still pulled through and defeated Fitchburg, 23-8. Despite student approval, Elizabeth Pratt was our interim principal. Our Theater Company performed Oklahoma and competed in festival with Still Life with Iris. Our Class President was Tyler Steffey, Vice President Aaliyah Link, Secretary Princely Tamfu, and most importantly our Treasurer Alivia Burns, who raised \$81,000 for our class. We wrapped up our year with our final MCAS exam and eagerly left for summer vacation, relieved we were no longer underclassmen.

History

Junior Year

We returned to LHS as upperclassmen in August 2015, happy to have our underclassmen years behind us. We started off our year with a new principal...again, Dr. Lord. As the class transformed into licensed drivers and worked hard to get through our PSATs and SATs the year seemed to fly by. Our Theater Company performed Brigadoon and competed in Festival with The Secret in the Wings. Leominster crushed Fitchburg again at the Thanksgiving Game, 23-8. As juniors, we rocked it at the Winter Carnival, tying with the Senior Class, only to lose by a tie breaker in basketball by one point! As Junior year came to a close, we eagerly looked forward to summer and our senior year.

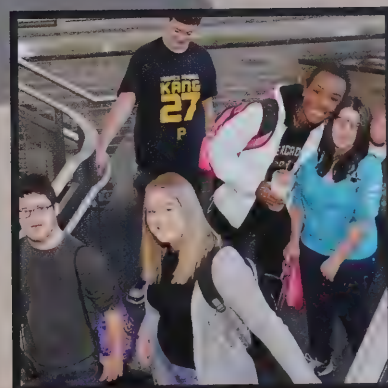

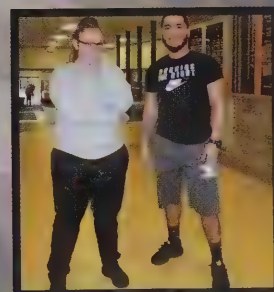

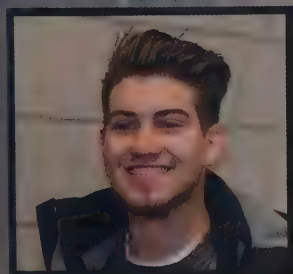

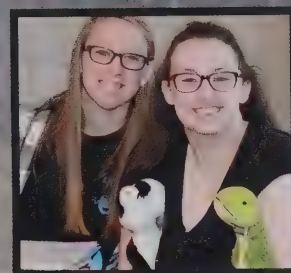

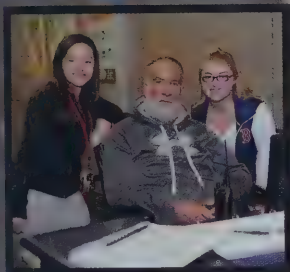

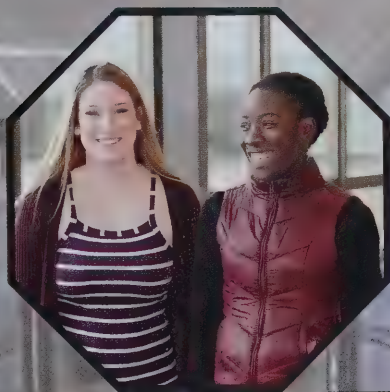

Senior Year

We walked through the doors for our last first day of high school in August 2016. We finally made it to our senior year! For the first time in our high school career, we had the same principal for two years in a row. Our President was Alivia Burns and our Vice President was Danyea West, joined by Secretary Kristen Maguy and Treasurer Michael Foster. Our theater company performed Hello Dolly and The BFG in Festival. Our final Thanksgiving Game as students was at Doyle, we defeated Fitchburg, 49-12 and stormed the field cheering. With graduation approaching quickly, our Senioritis kicked into full gear as we grew impatient. The memories we've created will never fade and we are lucky to be part of such an outstanding class. The Class of 2017 surely made a mark on Leominster High School!

Thanksgiving Game

The Thanksgiving Game took place at Doyle Field on November 24th, 2016. The 2016 team scored the most points ever, by a Leominster team, on Thanksgiving day. Mike Foster, is the only kicker to ever make 7 extra points in this game, two others had 8, one in 1904 and the other in 1915. The most valuable player during the game was Anthony Dandini, while others had great games as well; Noah Gray, Angel Colina, and Austin McDonald, all of which were the captains. Travis Storm had an electrifying 89 yard kickoff return to put the game out of reach in the third quarter. The defense played terrific. Seniors Chris Jackson and Dylan Tanner had a great game, allowing Fitchburg to score once against the starting defense. Great teamwork resulted in terrific win, beating Fitchburg 49-12.

Dear Class of 2017,

It has been my honor and pleasure to work with this year's senior class on so many projects. From the school plays to the inter-school band to the sports on the field, you are an inspiring group of students. Each day in our classrooms found you exploring and implementing new and exciting ideas like our school store, a special program for the 8th graders in the shop area, and a record number of community service learning activities. Running exciting events like Homecoming and Winter Carnival left many happy memories in the minds of your classmates. It's been wonderful getting to know you in so many different ways. As you walk the stage at graduation, your teachers and I want nothing but the best for you and your future. When you look back on your experiences at LHS/CTEi in the years ahead, we hope you will come back and remind us again what great people you have become.

We are so proud of you! And remember.....

We are.....BIG BLUE!!!!

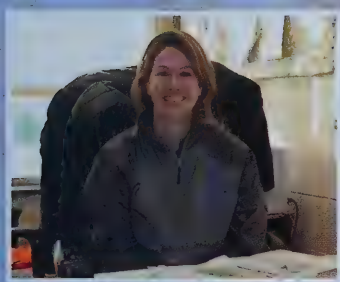

Sincerely,
Chris Lord

The 2016 varsity football team finished the season with a record of 7-4. One of the highlights of the season was a great comeback win against Shepherd Hill. Trailing 13-0 with 9 minutes to go in the game, the offense rallied to score 28 points to win in overtime 28-26. No one will ever forget our great fans stampeding the field after we stopped Shepherd Hill on its two point conversion try. This team had a terrific win on Thanksgiving, beating Fitchburg 49-12. The 2016 team scored the most points ever, by a Leominster team, on Thanksgiving Day. Mike Foster, is the only kicker to ever make 7 extra points in this game, two others had 8, one in 1904 and the other in 1915. The most valuable player of the game was Anthony Dandini, while others had great games as well; Noah Gray, Angel Colina and Austin McDonald, all of which were the captains. Travis Storm had an electrifying 89 yard kickoff return to put the game out of reach in the third quarter. The defense played terrific, seniors Chris Jackson and Dylan Tanner had great games, allowing Fitchburg to score once against the starting defense.

The boys varsity soccer team struggled to find traction in the 2016 season, finishing with a final record of 3-12-3. The team got off to a slow start, but Leominster finished the season on a positive note, earning 3 wins in their last 8, including a 2-1 victory against North Middlesex in the final game of the season.

All season, opposing teams had their work cut out trying to break through the Leominster defense. Facundo Cotto, a senior, kept the Blue Devils in a lot of close games with his stellar play as goalkeeper. Nahuel Algibay, the team's leading scorer, was one of the most dynamic midfielders in the league before his season was cut short by injury and Paa Nuamah played big minutes as an outside midfielder and gave opposing teams a lot of trouble with his speed. Princely Tamfu provided a scoring threat and additional leadership despite his time being limited by injuries.

Four seniors were rewarded for their hard work by earning League all star recognition. John Gove, Conal McBride, Facundo Cotto, and Nahuel Algibay were all named to the Midland- A League All-Star team, while Gove was also selected to the central-Mass All-Star team and was an All-Star team and was an All-state selection.

2016 Varsity Golf

The Varsity Golf Team was once again the premier fall sport at Leominster High School as it was the only sport to qualify for postseason play at the high school.

The team opened its season with two quality wins at home over Shepherd Hill and Marlboro and finished its home slate with a superb win over Wachusett. However, the Blue Devils were true road warriors in posting an 8-3 record away from Gardner Municipal Golf Course.

The team had a four match winning streak in the middle of the season which was fueled by the strong play of Senior Tri-Captains Connor Edmands, Jake Hudson and Tyler Steffey.

The team posted a 203.00 scoring average for the year which included a sub-200 average of 199.17 average at home. The overall scoring average was the fifth best scoring average since 1998.

In postseason voting by the Midland A coaches, the Blue Devils were selected as the Team Sportsmanship Award winners for the third consecutive year, Junior James Powers earned his second nod as a League All-Star and he was joined by classmate Zach Duffy with his first selection.

Postseason accolades as determined by a vote of their peers saw James Powers selected as the team MVP while posting the lowest individual scoring average since 1998. Sophomore Jacob Valiton earned Most Improved Player honors and Connor Edmands was selected as the Coach's Award winner for his dedication to the program and strong leadership as a captain during the 2016 campaign.

Captains for the 2017 campaign will be rising juniors Noah Woodward and James Powers.

The Boys Ice Hockey team had high expectations as the season began with goals of making the playoffs and a run towards a championship. While the season did not end the way the team wanted (a 5-13-2 overall record), the Blue Devils were very competitive in all of their games. With stand-out wins against Nashoba, St. Bernards and cross town rival Fitchburg/Monty Tech, the Boys Varsity team created some memorable moments.

3 Seniors really stood out all season long. Captain Jake Hudson was a scoring force all year. He scored a team high 9 goals including a 2 goal effort in a win over Nashoba and 3 goals for a hat trick in a loss to Algonquin. Nick LeBlanc was a leader on defense throughout the year and scored a few goals as well. He logged a ton of ice time every game and was counted on during every situation. He finished the year with 2 goals and 4 assists. Dylan Gallant contributed in all aspects of the game as he was on the Power Play, Penalty Kill and even would line up on defense at times. He completed his Senior year with 2 goals and 5 assists. Jake and Nick made the Central Mass All-Star team for Division 3 while all three were selections for the Roy Conference All-Stars..

Tyler Steffey was the other Senior on the team and was a vital part of the program. He saw most of his time on Defense, however, he was moved up to forward during his final game and scored his first and only goal against St. Bernard's which also turned out to be the game winner.

The future looks bright for the Leominster High Boys Ice Hockey team as they are loaded with returning talent that were able to gain great experience this year as forwards, defense and in goal.

The 2016-17 LHS Boys Basketball team celebrated a successful season with decisive victories against Central Mass powerhouses such as Fitchburg, Worcester South, and Shepherd Hill. The Blue Devils were led by their three stand out Seniors, Anthony Dandini, Angel Colina, and James Purcell. All three were elected team captain by their teammates and each had standout games during the course of the season. Each of the seniors stayed focused in good times and bad while always working hard and leading by example. The varsity squad also received strong contributions from Seniors Dylan Tanner, Alfred Akoachere, Bertie Henry, Craig Donovan, and Josh Sinous, who played intense defense and hit clutch shots down the stretch. The Blue Devils roster also included Manny Dolce, Pat Gallagher, Cam Kelly and Givensky Pierre-Louis.

Varsity Girls Basketball

The 2016-17 Varsity Basketball team finished with a record of 14-7, losing in the quarter finals of the playoffs 49-39 to Shepherd Hill. The team captains were Sr. Nikki Kowsky, Jr. Megan Hutchinson, and Jr. Rylee Skinner. The team jumped out to a fabulous start to the season, going undefeated through the first eight games. There were many contributors night in and night out to the team's success. They had many captivating victories; down by 8 in the 4th quarter against Groton Dunstable and came roaring back to win by nine, beating Algonquin at their place for the first time in a long time, a down to the wire victory against North winning by 2 and finally Captain Rylee Skinner hitting a shot at the buzzer to beat Nashoba by one! The end of the season came quick, but the team was able to get a home playoff game for the first time in many years and claim a 35 point victory over Sci-Tech out of Springfield. Finally, the team had a terrific senior night with their only senior, hardworking captain Nikki Kowsky, netting a career high of 13 points, to end a terrific career. Thank you to Coach Barnaby, Coach Marciano, and the entire team for a great effort all season long, Coach Palazzi.

At first glance it may seem that this past wrestling season was a tough one for the Blue Devils but although we did not have a successful dual meet season there was a lot of individual growth and success this year. After losing three talented seniors last year, two of which made it to the state tournament, senior captain Wesley Corliss stepped up to lead the team and fill their shoes. Wesley built off of his success last year and led the team in wins while placing 4th in the end of the year sectional tournament. The team was also anchored by fellow captain Cashman Dobbs, senior captain Amro Kandil, and rising stars Anthony Larson, D'Mitri Gagnon, and Will Vargo. Many of the wrestlers made big improvements this year and although the team will miss seniors Amro and Wesley the team has a lot of younger wrestlers that are looking to help get the team back on track next season.

Stretching Without Support

One of the fundamental equations of our self-narrative is: If I only had more support, I could accomplish even more.

Part of this is true. With more education, a stronger foundation, better cultural expectations, each of us is likely to contribute even more, to level up, to make a difference.

The part that's not true: "If only."

It turns out that every day, some people shatter our expectations. They build more than they have any right to, show up despite a lack of lucky breaks or a cheering section. Every day, some people stretch further. You might not be able to do much about the support, but you can definitely do something about the stretching. It's under your control, not someone else's.

And practicing helps.
